

# BOTANY DOCTOR

**PHO and Facilitator:** East Health, David Harrison

**Team members:** Marcus Hawkins, Cath Hawkins

# Organisational “Buy - In”

**Aim:** Assess cervical screening in terms of:

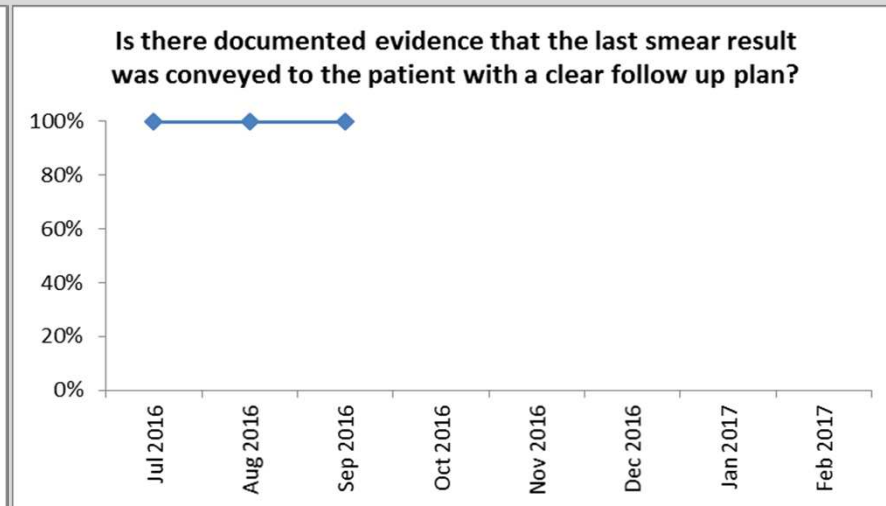

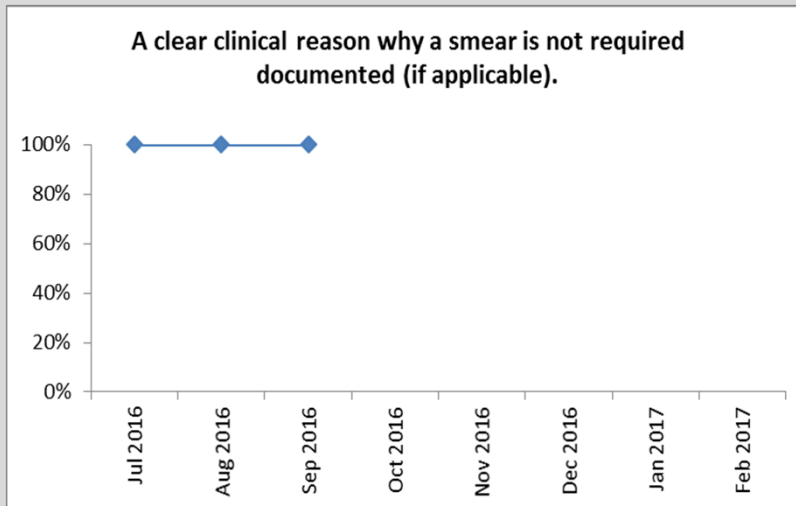

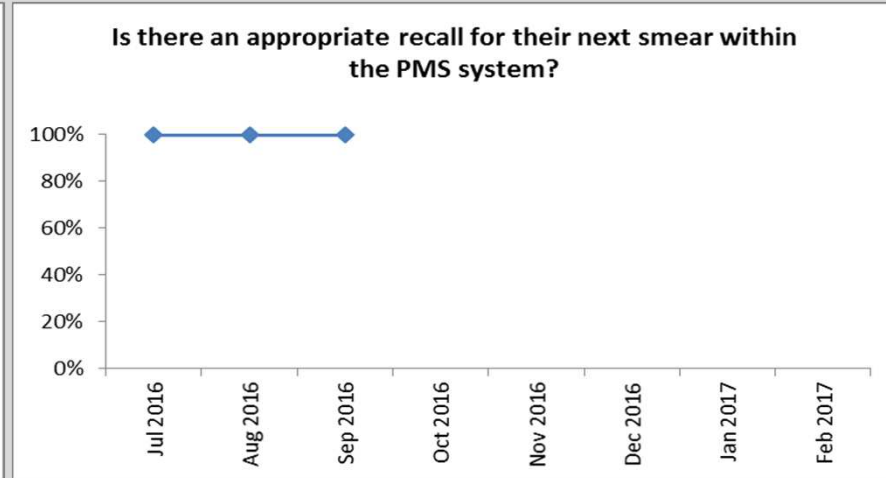

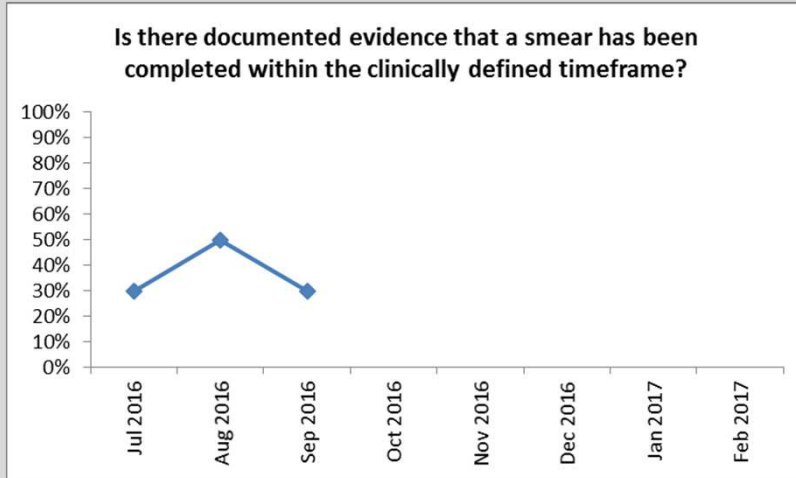

- **Timely recall**
- **Appropriate recall for result**
- **Clear reason why smear not required**
- **Result conveyed to patient**

**Buy-in N/A**

# Results 1

- Timely recall **40%**
- Appropriate recall for result **100%**
- Clear reason why smear not required **100%**
- Result conveyed to patient **100%**

# Results 2

## IDEAS

- **Statistics per GP**
- **Complete manual audit for all 20-69 & measure same parameters**
- **Review & chart every 3 months**
- **Share methods/processes**
