

Care bundles to Business as Usual

Safety in Practice Learning Session

13th June 2017

What can we do to ensure the future looks more like this?

What does it take to sustain a change?

Discussion at your tables (3 mins):

- Thinking of a change you have been involved in that has sustained – what factors do you believe helped make the change stick?

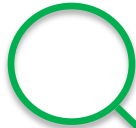

What does it take to sustain a change?

Discussion at your tables (3 mins):

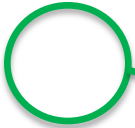

- Thinking of a change you have been involved in that did not sustain – what factors do you believe led to the change not sticking?

NHS Sustainability Model

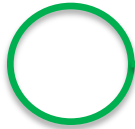

Monitoring progress

Adaptability

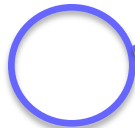

Credibility of benefits

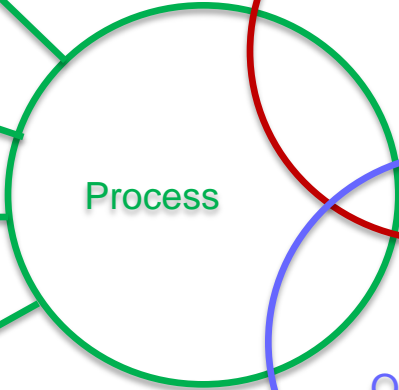

Benefits beyond helping patients

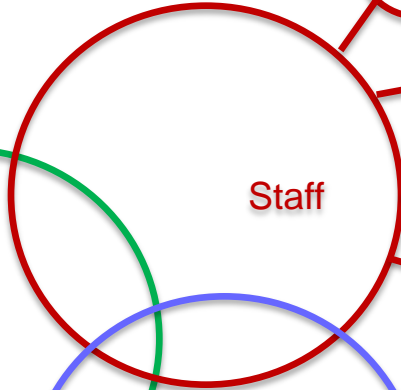

Infrastructure

Process

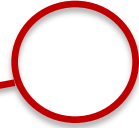

Staff

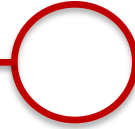

Training and involvement

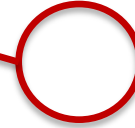

Behaviours

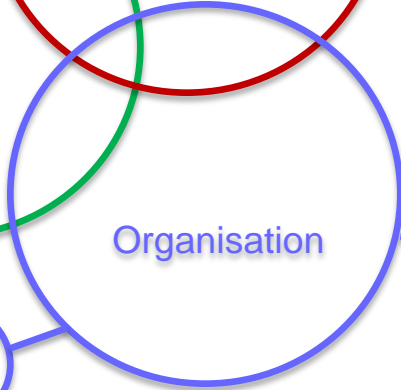

Senior leaders

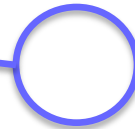

Clinical leaders

Organisation

Fit with goals and culture

Have a go

- As a practice team look at each question and self assess where you believe your practice would rate in terms of the bundle you have been working on. (5 mins)
- Identify any gaps that remain and prepare a plan to reduce the gap and increase the likelihood of sustaining your changes. (5 mins)
